

Receptions 2019

We are proud of our reputation for excellent catering.

Our skilled chefs will help you choose (if required) and will prepare your food to our high standards.

Our friendly and professional service staff will ensure that your event is relaxed and enjoyable.

We have several rooms to choose from to suit the size of your group.

Final numbers (and menu choices) for receptions are required 10 working days in advance. The final account is based upon this number unless it has been exceeded.

We can organise receptions in the College gardens (weather permitting), or in a number of different rooms including the auditorium and the Upper Hall (subject to numbers and availability).
